

Dear Mr. Milstein,

I am writing you to implore your efforts to increase the number of accessible taxi cabs in Philadelphia. I can see where others may think this is unnecessary action but I was shocked to learn that there are currently only 2 fully accessible cabs in Philadelphia. As a person who works to support the disabled in living lives to the fullest I can tell you that transportation is a main factor inhibiting engagement in the world at large. Please consider the impacts on your life if you were not able to easily travel.

Thank you for your time and support.

Sincerely,

Kerri Gallen
