

Good Afternoon,

I am writing to strongly express the need for Accessible Taxicabs in the city of Philadelphia. I have a son who is six years old who is wheelchair dependent. When we are in need of a taxicab it's very difficult to get my son out of his wheelchair into the backseat of the taxi and then place his wheelchair into the trunk of the taxi. So again I say Accessible Taxicabs for Philadelphia are NEEDED NOW!!!!

Thanks in Advance,
