### Governing the Establishment and Use of Valet Parking Zones

- The Philadelphia Parking Authority may approve or deny any application for a valet parking zone.
- Valet parking zones will be established upon issuance of a permit by the Philadelphia Parking Authority.
- The annual permit fees for the Center City, University City, and Delaware Avenue Entertainment District (to be described below) are as follows:
  - \$2,500 per 20 linear feet of space for any operation conducted 4 or more days a week
  - \$1,500 per 20 linear feet of space for any operation conducted 3 or less days a week or for any operation conducted for 6 months or less out of the year
  - Center City: Bounded by Spring Garden Street, Bainbridge Street, the Delaware River, and the Schuylkill River
  - University City: Bounded by the Schuylkill River on the East; University and Woodland Avenues on the South; 40<sup>th</sup> Street on the West; and by a line along Filbert Street between 40<sup>th</sup> Street and 34<sup>th</sup> Street, along 34<sup>th</sup> Street to Arch Street, and along Arch Street between 34<sup>th</sup> Street and the Schuylkill River on the North
  - Delaware Avenue Entertainment District: Bounded by the Delaware River, Spring Garden Street, 2<sup>nd</sup> Street and Girard Avenue
- The annual permit fees for all other areas of the City of Philadelphia are as follows:
  - \$625 per 20 linear feet of space for any operation conducted 4 or more days a week
  - \$375 per 20 linear feet of space for any operation conducted 3 or less days a week or for any operation conducted for 6 months or less out of the year
- Any permit may be cancelled, on 15 days notice, provided any of the following occurs:
  - Failure to produce payment
  - Abuse of zone (i.e., Conducting valet operations on days not listed on the valet parking signs; conducting valet operations during hours not listed on the valet parking signs; conducting valet operations from a running lane of traffic, therefore, causing a traffic hazard, etc.)
    - You will receive three warning letters for each such occurrence. After you have received a third warning letter, the zone will be removed and you will not be allowed to apply for a valet parking zone in the future.
  - If, at any time, an off-street parking facility is not being used to park vehicles from the valet operation
- Two fines have been established for improper use of a valet parking zone:
  - The first prohibits use for purposes other than to load or unload passengers and to turn control of the vehicle over to the valet parking operator. The fine for this violation is \$41.00 and is issued to the vehicle in violation.
  - The second requires the valet operator to remove vehicles from the valet parking zone within 20 minutes, and must park them in a licensed off-street facility. The fine for violating this provision is \$101.00 and is issued to the valet operator.
- In the event of a change of address or withdrawal from business, the applicant must notify the Philadelphia Parking Authority at the address or telephone number on the front of this application.
- In the event of a change of valet company operators, the business must contact the Philadelphia Parking Authority. The Authority will then send out a new application for the new valet operator to complete. All requirements established upon the issuance of the valet parking zone must be met again in this situation.
