**Bid No. 22-23
Surface Mount Anchors for Sign Poles
Addendum Three**

To: See Email Distribution List

From: Shannon Stewart
Manager of Contract Administration

Date: December 30, 2022

No Pages: 3 including Appendix A

This addendum is issued on December 30, 2022 prior to the bid due date to add, delete, modify, clarify and/or to respond to questions submitted by prospective bidders regarding the work included in the above referenced solicitation.

CHANGES TO THE BID DOCUMENT AND IMPORTANT DATES

1. The Question due date has been extended to Friday, January 6, 2023 no later than 12:00 PM.
2. The Sample due date has been extended to Wednesday, January 18, 2023 no later than 12:00 PM.
3. The Bid due date has been extended to Friday, January 27, 2023 no later than 12:00 PM.
4. Part IV – Work Statement has been modified, please refer to Appendix A of this addendum for the updated work statement.
5. The following language related to the contract term **replaces** the language in the following sections; I-1., IV-1., V-2., section 4 of Appendix A - Bid Form, section 2 of Appendix B – Sample Contract:

“The term of the contract shall commence upon award of a contract by the Authority’s Board at a public meeting and execution of a contract by the Executive Director and will end one (1) year thereafter unless it is terminated earlier pursuant to the terms of the contract.”

QUESTIONS

1. **Question:** No bolts to attach the surface mount base to the concrete are specified, is this correct? If yes, please specify the hardware needed.
Response: The hardware needed is specified in Part IV – Work Statement section 2. Specific subsection B. Hardware. Please see Appendix A of this addendum. The hardware must be ½” steel corner bolt and nut.
2. **Question:** With the current economic supply chain issues could we bid with an extended delivery time frame before liquidated damages would be accessed?

Response: The Authority intends to make a one-time purchase of 1,000 anchors which must be delivered within 30 days of receiving the order.

- 3. Question:** Upon renewal can the price be adjusted for cost changes and if not, can the renewal be refused?

Response: The Authority intends to make a one-time purchase of 1,000 anchors including the hardware as a result of this bid. Please refer to the section above “Changes to the Bid Document” which addresses the contract term.

- 4. Question:** We meet all the specs but are not PA DOT 408 approved. Is this cause for rejection?

Response: The bid does not require PA DOT 408 approval and/or certification. The bid only requires that your product conforms to the specifications outlined in PA DOT 408. Bidders will sign the Bid Form certifying that they agree to furnish and deliver the product as specified in the Work Statement, which includes conformity to the specifications outlined in PA DOT 408.

END OF ADDENDUM THREE

Appendix A - Updated Work Statement

PART IV

WORK STATEMENT

IV-1. General

The Philadelphia Parking Authority seeks to procure high quality and cost-effective surface mount anchors under a one (1) year contract. ~~The term of the contract may be extended by and at the sole option of the Authority for up to 2 (two) additional one-year renewals.~~

The successful Bidder should be able to provide surface mount anchors for 2" x 2" square post, hot dipped galvanized, that consist of furnishing a breakaway steel post. The Authority intends to purchase a ~~annual~~ minimum of 1,000 surface mount anchors with hardware included however, additional surface mount anchors may be purchased during the contract period.

IV-2. Specific

A. Surface Mount Anchor

1. The surface mount anchor for 2" x 2" square post.
 - a. 10" Square ¼" Thick Baseplate (ASTM A36).
 - b. (4) 2" x 2" x ¼" Thick Gussets (ASTM A36).
 - c. (4) 9/16" Holes for mounting with 1/2" Hardware in each corner 1" in from the edge of base plate.
 - d. 12" +/- Height Square Tube (ASTM A1011 Grade 50).
 - e. Assembly is Hot Dip Galvanized (ASTM 123).
2. The yield and tolerance must conform to PADOT 408 for breakaway capability.
3. The color must be the natural galvanized steel.

B. Hardware

1. 1/2" steel corner bolt and nut.

C. Delivery

1. All deliveries must be delivered within 30 days of an order being placed.
2. Contractor must give one (1) day notice prior to delivery.
3. All delivery costs must be included in the unit price.
4. Orders will be delivered to:
