**CHANGES TO THE BID DOCUMENT**

1. The question and substitution deadline has been extended to Friday, June 16, 2023 at 12:00 PM.

**QUESTIONS**

1. **Question:** Since this is an expiring contract, would the bidders be privy to the current costs being paid by the Authority for the uniform items?

**Response: Yes, please see Appendix A.**

2. **Question:** The items that are listed on this bid are multiple years old. Many of these items are either no longer available, or do not match what was shown at the pre-bid meeting. Please update current bid with a valid style number reference (ideally the style # of the product shown at the pre-bid). This will allow us to have a valid reference so we can either choose to bid that product or equivalent. Here are the line items we need updated style numbers on:

Lines 1&2: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

Lines 5-7: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

Line 8: Appears to have been replaced with a different style from a different vendor. Please update with new manufacturer/style

Line 9: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

Lines 12-20: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

Lines 22-30: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

Line 40: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

Line 41: Appears to have been replaced with a different style from a different vendor. Please update with new manufacturer/style.

Lines 42-60: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

Lines 62-65: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

Lines 67-73: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

Line 74: Appears to have been replaced with a different style from a different vendor. Please update with new manufacturer/style.

Line 79: Not shown at pre-bid meeting. Is the item still used? Has it been updated to something else?

**Response: All items are still in use. As referenced in Section I-22 of the bid document (page 7), the listed brands and style numbers are known to meet the needs of the Authority. Bidders may request to submit items of equal quality for approval. Each request will require a physical sample to be submitted to the Authority. For the purpose of research, Line Item #15, Elbeco UFX Polo (Tan) can be adjusted to a Style # of "K5104". Line Item #23, Hope Uniform Custom Ankle Length Skirt (Navy) carries a description of "7.5 oz. 65% polyester. 35% cotton. Zipper fly front. Two stylish front pockets. One decorative back pocket. 35 inches in length."**
