Dear Applicant,

Thank you for your interest in the Philadelphia Parking Authority Monthly Parking Program. The Monthly Parking Program is month-to-month and individual customers are not locked into a contract. Monthly Patrons can start their parking on any date throughout the month. If patrons start after the 15<sup>th</sup> of the month, required payment will include a prorated amount for the current month, the entire payment for the next month, and a refundable equipment deposit. Monthly Parking Applications can be submitted at the office located inside our garages, surface lots that have attendants, and online at [ppamonthlyparking@philapark.org](mailto:ppamonthlyparking@philapark.org). If patrons submit their applications at the garage or lot, the first payment will be collected via credit card on premise. All future payments are required to be completed through the Monthly Parking Online Payment Portal. If applications are submitted online a customer profile is created immediately by PPA. Please ensure to write your email address legibly as it will be your user/login name. After set up of your account, you will receive an email from PPAMonthlyParking with a customer code and instructions for use of the portal. You will also receive an email from TD Bank with a temporary password. Please remember to check your spam for this email.

Once payment is received the customer will receive instructions on how to receive a hang tag or monthly parking pass. We're looking forward to servicing you. Please let us know if you have any questions and have a great day!

Sincerely,
