Dear Contractor,

Welcome to the Contractor Parking Placard Program. All applications will now be submitted online. Please review all information attached. You will find a fact sheet detailing the program rules for reference.

You must submit the following documents along with the application provided.

- Tax Clearance from www.phila.gov/revenue
- Philadelphia Business Privilege License for your company
- Trade or Occupation License
- Vehicle Registration for each vehicle (must be in the same name as the applicant)
- Subcontractor/Employees using personal vehicles: A letter on company letterhead indicating that you are working under the company's business license using their personal vehicle.

Important Notice: Please be advised that applications can take **up to 10 days to process**. Drivers are required to follow all regulations until the application is approved. Any violations issued during the processing period will be the responsibility of the applicant.

If you have any questions, please contact **Jill Ursbruck** at **215-683-9745** or email **contractorparking@philapark.org**.

Sincerely,

Jill Ursbruck

CONTRACTOR PARKING VIRTUAL PLACARD CRITERIA & FACT SHEET

A “CONTRACTOR PARKING PLACARD” is a virtual parking placard.

IN ORDER TO BE ELIGIBLE FOR “CONTRACTOR PARKING VIRTUAL PLACARD” PROGRAM:

- All vehicles must have commercial/truck license plates.
- Vehicles cannot have more than two outstanding parking violations.

COST/TERM:

- Each virtual placard is issued on a six-month term.
If purchased between April 16 to October 15; permit will expire on October 16
If purchased between October 16 to April 15; permit will expire on April 16
- Virtual placards are issued to a specific license plate. The placards are non-transferrable. If the plate changes for any reason, you will need to contact us to update the plate.

PARKING LIMITATIONS: (Please see the other side of this fact sheet for more specific parking privileges and restrictions.)

- All vehicles must be in a capacity of being used for contractor service.
- The authority may limit the location where parking placards will be honored.
- All vehicles must abide by Contractor Parking Placards not valid signs, at different locations. (Vehicles are subject to all posted time limits and must pay for kiosk/meters).
- Contractor parking placard cannot be used for personal use, Ordinance (Bill NO. 210928).

Contractors with five or more vehicles have the option to enroll in our fleet program. This enables contractors who receive tickets, which are not eligible for cancellation under the contractor parking program, to be billed monthly, without penalty. Upon receipt of the statement, the contractor may choose to pay the cost of the ticket, without penalty, or request a hearing to contest the ticket. No additional penalties will be imposed if the ticket is paid or contested within thirty days.
