The Authority shall not be bound by any verbal information nor shall it be bound by any written information that is not either contained within the RFP or formally issued as an addendum by the Authority. The Authority does not consider questions to be a protest of the Work Statement or of the solicitation.

### **I-4. Clarification of Instructions.**

Should the prospective Offeror find a discrepancy in or an omission from the Work Statement or any part of this RFP, or should he or she be in doubt as to the meaning of any term contained therein, the Offeror shall notify Mary Wheeler, Manager of Contract Administration via email at [mwheeler@philapark.org](mailto:mwheeler@philapark.org) prior to the question deadline. Addenda will also be posted to the Authority’s website, [www.philapark.org](http://www.philapark.org).

**I-5. Restrictions of Contact.**

From the issue date of this RFP until the Authority's Board approves the awarding of the contract, **Mary Wheeler is the sole point of contact concerning this RFP.** Any violation of this condition by an Offeror may result in the Authority rejecting the offending Offeror's proposal. If the Authority later discovers that the Offeror has engaged in any violations of this condition, the Authority may reject the offending Offeror's proposal or rescind its award. Offerors must agree not to distribute any part of their proposals beyond the Authority. An Offeror who shares information contained in its proposal with other Authority personnel and/or competing Offeror personnel may be disqualified.

**I-6. Proposal Conditions.**

4. In the case of a proposal submitted by a joint venture, each party to the venture must be identified in the proposal documents, and an Affidavit must be submitted separately on behalf of each party.

6. Failure to file and attach an Affidavit in compliance with these instructions will result in disqualification of the proposal.

**I-10. Insurance Requirements.**

The successful Offeror will be required to submit Insurance Coverage as outlined in *Appendix C*. Offerors must submit with their proposal a sample certificate of insurance from a recent project that meets the requirements. If you do not currently carry the level of insurance that is required you must submit a letter from your insurance company indicating that they will provide the required insurances as outlined in this RFP if awarded a contract. **Insurance requirements will not be negotiated after the proposal due date.**

If successful, this procurement process will result in the presentation of a completed final-form contract to the Authority's Board for approval at a public meeting. To advance that goal a sample contract is included as *Appendix B*. Please review the sample contract carefully. Any exceptions or requested changes to the contract **must be clearly noted in the proposal (Tab G)** in order to be considered.

**I-14. Rejection or Acceptance of Proposals.**

An Evaluation Committee comprised of Authority employees will review all proposals. Discussions may be conducted with responsible Offerors for the purpose of clarification and of obtaining best and final offers. Responsible offers shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing Offerors.

The responsible Offeror(s) whose proposal is determined in writing to be the most advantageous to the Authority, taking into consideration price and all evaluation factors, shall be selected for contract negotiation. In the event the negotiations reveal that the proposal selected for negotiation is not the most advantageous or the Offeror selected for negotiation defaults or withdraws from negotiation, the Evaluation Committee may select another proposal then determined to be the most advantageous to the Authority, taking into consideration price and all evaluation factors, for contract negotiation. The Authority may cancel the RFP and reject all proposals at any time prior to award by the Board.

The Authority reserves the right to waive any irregularities in the completion of the forms and papers enclosed in this schedule; to accept or reject any or all proposals; to re-advertise for proposals if desired, and to accept any proposal which, in the judgment of the Authority, will be in the Authority's best interest.

Any form which is required to be submitted and which is incomplete, conditional, obscure, contains additions not called for and not approved by the Authority, or which contains irregularities of any kind, may be cause for rejection of the

proposal, in the sole discretion of the Authority. At any time up to the hour and date set for opening of proposals, an Offeror may withdraw its proposal. Such withdrawal must be in writing and sent to the Authority at the address set forth herein by a nationally recognized overnight courier service, certified mail, return receipt requested, or delivered in person. Such withdrawal shall be effective only upon receipt by the Authority evidenced by written confirmation of such receipt and will preclude the submission of another proposal by such Offeror. After the scheduled time for opening of proposals, no Offeror will be permitted to withdraw their proposal, and each Offeror hereby agrees that their proposal shall remain firm for the contract period. A proposal made and opened may be withdrawn with the written permission of the Authority, if the Authority determines in its sole discretion that the proposal is inconsistent with the best interest of the Authority.

**I-15. Unacceptable Proposals.**

No proposal will be accepted from or selection made of any person, firm or corporation that is in arrears or in default to the Authority upon any debt or contract, or whose insurer or banking institution is in default as surety or otherwise upon any obligation to the Authority, or has failed in the sole opinion of the Authority to faithfully perform any previous contract with the Authority.

**I-17. Notification of Offeror Selection.**

The Authority will study and evaluate all proposals which are received in accordance with the instructions set forth in the proposal package and may select an Offeror or multiple Offerors and notify all other Offerors of the selection within sixty (60) days after the date the proposals are opened. Such notice shall be in writing and mailed to the address furnished by each respective Offeror in the Transmittal Letter. The selected Offeror(s) shall not start the performance of any work prior to the effective date of the Contract and the Authority shall not be liable to pay the selected Offeror for any service or work performed or expenses incurred before the effective date of the Contract. Costs incurred by the Offeror in the preparation of the proposal or during any review or negotiations shall be born exclusively by the Offeror.

**I-18. Standard Practices.**

All work performed under the contract shall be subject to inspection and final approval by the Authority, through the Executive Director or his designee.

7. When Contractor has reason to believe that any breach of ethical standards as set forth in law or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by an Authority officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Authority contracting officer or the Authority's Office General Counsel in writing.
