Philadelphia, PA 19106**

**RFP No. 22-01  
Mobile Parking Payments 2022  
Addendum One**

To: See Email Distribution List

From: Mary Wheeler  
Director of Procurement

Date: March 8, 2022

No Pages: 2 plus Exhibit A

This addendum is issued on March 8, 2022 prior to the proposal due date to add, delete, modify, clarify and/or to respond to questions submitted by prospective offerors regarding the work included in the above referenced solicitation.

**QUESTIONS**

1. **Question: We are certified through the PA UCP, would that be acceptable for the Small and Small Diverse requirement?**

**Response:** No, certification through the Pennsylvania Department of General Services (“PA DGS”) is required. Offerors may self-certify at:

<https://www.dgs.pa.gov/Small%20Business%20Contracting%20Program/Pages/default.aspx>

2. **Question: For the small and small diverse businesses, are those points only applicable to the prime or do subcontractors qualify for that as well?**

**Response:** Yes, if an Offeror is subcontracting with a company that identifies as Small and Small Diverse and their certificate from PA DGS is included in your proposal, points will be awarded. Offeror must identify the percentage of work that will be performed by the subcontractor and points will be awarded based on that information. Subcontractors are only eligible to receive partial points, full points will not be awarded based on the subcontractor’s certification.

3. **Question: Is there a database or a group that is already pre-certified that is public information that the Parking Authority has it grouped that they would prefer folks to work with that is already present or are we to find our own subcontractors in that sense?**

**Response:** No, the Authority does not have a preferred list. We recommend checking the Department of General Services of Pennsylvania’s website to search for businesses at:

<https://www.dgs.internet.state.pa.us/suppliersearch>

**4. Question: Is there a scenario in which more than one application or vendor would be selected for this procurement or is there the possibility that more than one would be selected?**

**Response:** The Authority anticipates selecting one vendor for this application.

**5. Question: Do you know when you will be expecting to provide the answers to the questions we submit?**

**Response:** We do not have a set schedule when addenda will be released. Addenda are released as groups of questions are received.

**6. Question: Are you able to provide your current list of zone numbers so that our team can identify if they are available in our system?**

**Response:** List of zone numbers are attached to this addendum as "Exhibit A."
