C.S. § 5501 et seq. as amended, known as the “Parking Authority Law”. The Authority seeks to procure car wash and detailing services under a three (3) year contract with two (2) one-year extensions at the sole discretion of the Authority. As a Request for Proposals, this is not an invitation to bid and although price is important, other pertinent factors will be taken into consideration.

I-2. Mission Statement.

The mission of the Philadelphia Parking Authority is to contribute to the economic vitality of Philadelphia and the surrounding region by effectively managing and providing convenient parking on the street, at the airport, and in garages and lots; effectively operating a system of red-light camera enforcement; regulating taxicabs, limousines and transportation network companies; and other transportation-related activities.

A number of customer-focused actions flow from the PPA mission:

- Improving cooperation and planning with PPA stakeholders, including state and local transportation partners,
- Implementing cutting-edge technology to improve the customer experience and enhance overall management and agency efficiency,
- Emphasizing employee training on industry best practices,
- Maximizing transparency in hiring and procurement,
- Implementing on-street parking management policies that address neighborhood needs throughout the City,
- Encouraging reasonably priced off-street parking through rate setting policies at seven PPA Center City facilities,
- Maintaining and improving neighborhood parking lots to address both residential and commercial demand,
- Providing leadership in partnering with private and public hospitality and tourism entities to enhance the visitor experience,
- Applying the latest technology for a superior customer experience at the parking facilities at Philadelphia International Airport in support of this important regional economic engine,
- Encouraging safe, clean, reliable taxicab, limousine and transportation network company service through sound regulations and consistent enforcement,
- Improving vehicle and pedestrian safety in targeted intersections through automated red light enforcement,
- Applying latest technology and continuing staff development to provide the highest quality public service with maximum efficiency.

I-3. Procurement Questions.

Prospective Offerors are encouraged to submit questions concerning the RFP in writing no later than Thursday, February 24, 2022 at 12:00 PM. Questions concerning this RFP are to be submitted via email to Mary Wheeler at mwheeler@philapark.org with “RFP No. 22-03 Car Wash and Detailing Services” listed in the subject line. Only questions submitted in writing will be addressed. The Authority will answer all questions in writing to all qualified Offerors. Any furnished answers will not be official until they have been verified, in writing, by the Authority. The Authority will not be bound by any verbal information, nor shall it be bound by any written information that is not either contained within the RFP or formally issued as an addendum by the Authority. The Authority does not consider questions to be a protest of the Work Statement or of the solicitation.

I-4. Clarification of Instructions.

Should the prospective Offeror find a discrepancy in or an omission from the Work Statement or any part of this RFP, or should he or she be in doubt as to the meaning of any term contained therein, the Offeror shall notify Mary Wheeler, Director of Procurement, via email at mwheeler@philapark.org prior to the question deadline. All questions and clarification requests will be responded to via written addendum that will be emailed to all registered Offerors. Addenda will also be posted to the Authority’s website, www.philapark.org.

I-5. Restrictions of Contact.

From the issue date of this RFP until the Authority's Board approves the awarding of the contract, **Mary Wheeler is the sole point of contact concerning this RFP.** Any violation of this condition by an Offeror may result in the Authority rejecting the offending Offeror's proposal. If the Authority later discovers that the Offeror has engaged in any violations of this condition, the Authority may reject the offending Offeror's proposal or rescind its award. Offerors must agree not to distribute any part of their proposals beyond the Authority. An Offeror who shares information contained in its proposal with other Authority personnel and/or competing Offeror personnel may be disqualified.

I-6. Proposal Conditions.

Sealed proposals must be received in the office of the Philadelphia Parking Authority, addressed to Mary Wheeler, 701 Market Street, Suite 5400, Philadelphia, PA 19106, by Wednesday, March 9, 2022, no later than 12:00 PM. Each Offeror shall submit to the Authority the information and forms required, which forms and information shall become the property of the Authority and will not be returned to Offerors, unless a written request to withdraw is received prior to the opening of proposals. Failure to attach documents required for submittal at the time of submittal will result in the offer being rejected.

I-9. Instructions for Affidavit of Non-Collusion.

1. The Non-Collusion Affidavit is material to any contract awarded through a public solicitation.
2. This Non-Collusion Affidavit must be executed by the member, officer or employee of the offeror who makes the final decision on terms and prices identified in the proposal.
3. Bid rigging or collusion and other efforts to restrain competition, and the making of false sworn statements in connection with the submission of bids are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit below should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the offeror with responsibilities for the preparation, approval or submission of the proposal.
4. In the case of a proposal submitted by a joint venture, each party to the venture must be identified in the proposal documents, and an Affidavit must be submitted separately on behalf of each party.
5. The term "complementary proposal" as used in the Affidavit has the meaning commonly associated with that term in the request for proposal process, and includes the knowing submission of proposals higher than the proposal of another firm, any intentionally high or noncompetitive proposal, and any other form of proposal submitted for the purpose of giving a false appearance of competition.

6. Failure to file and attach an Affidavit in compliance with these instructions will result in disqualification of the proposal.

I-10. Insurance Requirements.

The successful Offeror will be required to submit Insurance Coverage as outlined in *Appendix C*. Offeror's must submit with their proposal a sample certificate of insurance from a recent project that meets the requirements. I-12. Contract Negotiation.

If successful, this procurement process will result in the presentation of a completed final-form contract to the Authority's Board for approval at a public meeting. To advance that goal a sample contract is included as *Appendix B*. Please review the sample contract carefully. Any exceptions or requested changes to the contract **must be clearly noted in the proposal (Tab G)** in order to be considered.

Exceptions or requested changes to the sample contract will be considered a **part of the response**. Exceptions or requested changes to the sample contract should be made with great care. The Authority may reject all or some of those changes or exceptions, in its sole discretion.

I-13. Business Licenses:

The proposal should include the Offeror's Philadelphia Commercial Activity License (formerly Business Privilege License) number and the Offeror's Federal Tax ID number if the Offeror is seeking representation of the Authority in Philadelphia. If the Offeror does not currently have a Philadelphia Commercial Activity License, it must obtain one no later than five business days after the Board awards the contract. If the Offeror does not believe that it needs a Philadelphia Activity License, an explanation with references to statute and/or the Philadelphia Code should be included with the proposal.

I-14. Rejection or Acceptance of Proposals.

An Evaluation Committee comprised of Authority employees will review all proposals. Discussions and negotiations may be conducted with responsible Offerors for the purpose of clarification and of obtaining best and final offers. Responsible offers shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing Offerors.

The responsible Offeror whose proposal is determined in writing to be the most advantageous to the Authority, taking into consideration price and all evaluation factors, shall be selected for contract negotiation. In the event the negotiations reveal that the proposal selected for negotiation is not the most advantageous or the Offeror selected for negotiation defaults or withdraws from negotiation, the Evaluation Committee may select another proposal then determined to be the most advantageous to the Authority, taking into consideration price and all evaluation factors, for contract negotiation. The Authority may cancel the RFP and reject all proposals at any time prior to award by the Board.

The Authority reserves the right to waive any irregularities in the completion of the forms and papers enclosed in this schedule; to accept or reject any or all proposals; to re-advertise for proposals if desired, and to accept any proposal which, in the judgment of the Authority, will be in the Authority's best interest.

Any form which is required to be submitted and which is incomplete, conditional, obscure, contains additions not called for and not approved by the Authority, or which contains irregularities of any kind, may be cause for rejection of the proposal, in the sole discretion of the Authority. At any time up to the hour and date set for opening of proposals, an

Offeror may withdraw its proposal. Such withdrawal must be in writing and sent to the Authority at the address set forth herein by a nationally recognized overnight courier service, certified mail, return receipt requested, or delivered in person. After the scheduled time for opening of proposals, no Offeror will be permitted to withdraw their proposal, and each Offeror hereby agrees that their proposal shall remain firm for the contract period. A proposal made and opened may be withdrawn with the written permission of the Authority, if the Authority determines in its sole discretion that the proposal is inconsistent with the best interest of the Authority.

I-15. Unacceptable Proposals.

3. The Contractor shall not disclose to others any confidential information gained by virtue of this Contract.

4. Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not, in connection with this or any other agreement with the Authority, directly or indirectly, offer, confer, or agree to confer any pecuniary benefit or gift on anyone, for any reason, including as consideration for the decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty by any officer or employee of the Authority.

5. Contractor confirms that no Authority officer or employee holds a financial interest in Contractor.

6. Contractor shall have no financial interest with or in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Authority in writing and the Authority consents to Contractor's financial interest prior to the Authority's execution of the contract. Contractor shall disclose the financial interest to

the Authority at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.

7. When Contractor has reason to believe that any breach of ethical standards as set forth in law or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by an Authority officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Authority contracting officer or the Authority's Office General Counsel in writing.

8. 10. Contractor shall cooperate with the Authority's Office of General Counsel, or its designee, in its investigation of any alleged officer or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an investigator, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Authority's designated investigator to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Authority and any such subcontractor, and no third party beneficiaries shall be created thereby.

11. For violation of any of these Contractor Integrity Provisions the Authority may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Authority. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Authority will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Authority in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change.
