I-1. Introduction.

This Request for Proposals (“RFP”) is being issued by the Philadelphia Parking Authority, (“Authority”), a body corporate and politic created under the laws of the Commonwealth of Pennsylvania in accordance with the Act of June 19, 2001, P.L. 287, No. 22, 53 Pd. C.S. § 5501 et seq. as amended, known as the “Parking Authority Law”. The Authority seeks a highly qualified Independent Public Accounting Firm to audit the Authority’s financial statements for the fiscal years ending March 31, 2023, 2024, 2025, 2026 and 2027.

As a Request for Proposals, this is not an invitation to bid and although price is important, other pertinent factors will be taken into consideration.

The mission of the Philadelphia Parking Authority is to contribute to the economic vitality of Philadelphia and the surrounding region by effectively managing and providing convenient parking on the street, at the airport, and in garages and lots; effectively operating a system of red-light camera enforcement; regulating taxicabs, limousines and transportation network companies; and other transportation-related activities.

A number of customer-focused actions flow from the PPA mission:

- Improving cooperation and planning with PPA stakeholders, including state and local transportation partners,
- Implementing cutting-edge technology to improve the customer experience and enhance overall management and agency efficiency,
- Emphasizing employee training on industry best practices,
- Maximizing transparency in hiring and procurement,
- Implementing on-street parking management policies that address neighborhood needs throughout the City,
- Encouraging reasonably priced off-street parking through rate setting policies at seven PPA Center City facilities,
- Maintaining and improving neighborhood parking lots to address both residential and commercial demand,
- Providing leadership in partnering with private and public hospitality and tourism entities to enhance the visitor experience,
- Applying the latest technology for a superior customer experience at the parking facilities at Philadelphia International Airport in support of this important regional economic engine,
- Encouraging safe, clean, reliable taxicab, limousine and transportation network company service through sound regulations and consistent enforcement,
- Improving vehicle and pedestrian safety in targeted intersections through automated red-light enforcement,
- Applying latest technology and continuing staff development to provide the highest quality public service with maximum efficiency.

Prospective Offerors are encouraged to submit questions concerning the RFP in writing no later than Wednesday, January 25, 2023, at 12:00 PM. Questions concerning this RFP are to be submitted via email to Shannon Stewart at ssstewart@philapark.org with “RFP No. 22-21 Annual Financial Auditor” listed in the subject line. Only questions submitted in writing will be addressed. The Authority will answer all questions in writing to all qualified Offerors. Any furnished answers will not be official until they have been verified, in writing, by the Authority. The Authority shall not be bound by any verbal information, nor shall it be bound by any written information that is not either contained within the RFP or formally issued as an addendum by the Authority. The Authority does not consider questions to be a protest of the Work Statement or of the solicitation.

I-4. Clarification of Instructions.

Should the prospective Offeror find a discrepancy in or an omission from the Work Statement or any part of this RFP, or should he or she be in doubt as to the meaning of any term contained therein, the Offeror shall notify Shannon Stewart, Manager of Contract Administration via email at ssstewart@philapark.org prior to the question deadline. All questions
and clarification requests will be responded to via written addendum that will be emailed to all registered Offerors. Addenda will also be posted to the Authority’s website, www.philapark.org.

I-5. Restrictions of Contact.

From the issue date of this RFP until the Authority’s Board approves the awarding of the contract, Shannon Stewart is the sole point of contact concerning this RFP. Any violation of this condition by an Offeror may result in the Authority rejecting the offending Offeror’s proposal. If the Authority later discovers that the Offeror has engaged in any violations of this condition, the Authority may reject the offending Offeror’s proposal or rescind its award. Offerors must agree not to distribute any part of their proposals beyond the Authority. An Offeror who shares information contained in its proposal with other Authority personnel and/or competing Offeror personnel may be disqualified.

Sealed proposals must be received in the office of the Philadelphia Parking Authority, addressed to Shannon Stewart, 701 Market Street, Suite 5400, Philadelphia, PA 19106, by Wednesday, February 8, 2023 no later than 12:00 PM. Each Offeror shall submit to the Authority the information and forms required, which forms, and information shall become the property of the Authority and will not be returned to Offerors, unless a written request to withdraw is received prior to the opening of proposals. Failure to attach documents required for submittal at the time of submittal will result in the offer being rejected.

The Authority is continually looking for opportunities available for growth and advancement among small and small diverse business through contracts to provide products, services or construction to the Authority. Offerors shall identify their status as a small and diverse business by completing the Small and Small Diverse Business Participation Submittal form included in the Proposal Form along with a copy of their Small Business Procurement Initiative certificate issued from the Pennsylvania Department of General Services. Offerors may self-certify at:

https://www.dgs.pa.gov/Small%20Business%20Contracting%20Program/Pages/default.aspx

I-8. Signatures Required.

The proposals must be signed in all spaces where signatures are required. In cases of corporation, the signature must be that of a duly authorized officer of the corporation and officer’s title must be stated. In cases of a business entity other than a corporation, the title of the signer and type of entity is required.

I-9. Instructions for Affidavit of Non-Collusion.

1. The Non-Collusion Affidavit is material to any contract awarded through a public solicitation.

2. This Non-Collusion Affidavit must be executed by the member, officer or employee of the offeror who makes the final decision on terms and prices identified in the proposal.

3. Bid rigging or collusion and other efforts to restrain competition, and the making of false sworn statements in connection with the submission of bids are unlawful and may be subject to criminal prosecution. The person who signs the Affidavit below should examine it carefully before signing and assure himself or herself that each statement is true and accurate, making diligent inquiry, as necessary, of all other persons employed by or associated with the offeror with responsibilities for the preparation, approval or submission of the proposal.

4. In the case of a proposal submitted by a joint venture, each party to the venture must be identified in the proposal documents, and an Affidavit must be submitted separately on behalf of each party.

5. The term "complementary proposal" as used in the Affidavit has the meaning commonly associated with that term in the request for proposal process and includes the knowing submission of proposals higher than the proposal of another firm, any intentionally high or noncompetitive proposal, and any other form of proposal submitted for the purpose of giving a false appearance of competition.
6. Failure to file and attach an Affidavit in compliance with these instructions will result in disqualification of the proposal.

I-10. **Insurance Requirements.**

The successful Offeror will be required to submit Insurance Coverage as outlined in Appendix C. Offeror’s must submit with their proposal a sample certificate of insurance from a recent project that meets the requirements. If you do not currently carry the level of insurance that is required, you must submit a letter from your insurance company indicating that they will provide the required insurances as outlined in this RFP if awarded a contract. If you would like to request a waiver or relief for any coverages required, you must submit that request during the question period and allow the Authority to respond via addendum.

**Insurance requirements will not be negotiated after the proposal due date.**

I-11. **Executed Contract Required.**

By submitting a proposal in response to this RFP the Offeror agrees that the Authority will not be bound to any contract, performance or payment obligation until the Authority’s Board votes to award a contract to the successful Offeror and the Authority’s Executive Director signs the written contract.

I-12. **Contract Negotiation.**

If successful, this procurement process will result in the presentation of a completed final-form contract to the Authority’s Board for approval at a public meeting. To advance that goal a sample contract is included as Appendix B. Please review the sample contract carefully. Any exceptions or requested changes to the contract must be clearly noted in the proposal (Tab I) in order to be considered.

Exceptions or requested changes to the sample contract will be considered a part of the response. Exceptions or requested changes to the sample contract should be made with great care. The Authority may reject all or some of those changes or exceptions, in its sole discretion.

I-13. **Business Licenses:**

The proposal should include the Offeror’s Philadelphia Commercial Activity License (formerly Business Privilege License) number and the Offeror’s Federal Tax ID number if the Offeror is seeking representation of the Authority in Philadelphia. If the Offeror does not currently have a Philadelphia Commercial Activity License, it must obtain one no later than five business days after notification of selection. If the Offeror does not believe that it needs a Philadelphia Activity License, an explanation with references to statute and/or the Philadelphia Code should be included with the proposal.

I-14. **Rejection or Acceptance of Proposals.**

An Evaluation Committee comprised of Authority employees will review all proposals. Discussions and negotiations may be conducted with responsible Offerors for the purpose of clarification and of obtaining best and final offers. Responsible offers shall be accorded fair and equal treatment with respect to any opportunity for discussion and revision of proposals. In conducting discussions, there shall be no disclosure of any information derived from proposals submitted by competing Offerors.

The responsible Offeror whose proposal is determined in writing to be the most advantageous to the Authority, taking into consideration price and all evaluation factors, shall be selected for contract negotiation. In the event the negotiations reveal that the proposal selected for negotiation is not the most advantageous or the Offeror selected for negotiation defaults or withdraws from negotiation, the Evaluation Committee may select another proposal then determined to be the most advantageous to the Authority, taking into consideration price and all evaluation factors, for contract negotiation. The Authority may cancel the RFP and reject all proposals at any time prior to award by the Board.

The Authority reserves the right to waive any irregularities in the completion of the forms and papers enclosed in this schedule; to accept or reject any or all proposals; to re-advertise for proposals if desired, and to accept any proposal which, in the judgment of the Authority, will be in the Authority’s best interest.
Any form which is required to be submitted and which is incomplete, conditional, obscure, contains additions not called for and not approved by the Authority, or which contains irregularities of any kind, may be cause for rejection of the proposal, in the sole discretion of the Authority. At any time up to the hour and date set for opening of proposals, an Offeror may withdraw its proposal. Such withdrawal must be in writing and sent to the Authority at the address set forth herein by a nationally recognized overnight courier service, certified mail, return receipt requested, or delivered in person. Such withdrawal shall be effective only upon receipt by the Authority evidenced by written confirmation of such receipt and will preclude the submission of another proposal by such Offeror. After the scheduled time for opening of proposals, no Offeror will be permitted to withdraw their proposal, and each Offeror hereby agrees that their proposal shall remain firm for the contract period. A proposal made and opened may be withdrawn with the written permission of the Authority, if the Authority determines in its sole discretion that the proposal is inconsistent with the best interest of the Authority.

No proposal will be accepted from, or selection made of any person, firm or corporation that is in arrears or in default to the Authority upon any debt or contract, or whose insurer or banking institution is in default as surety or otherwise upon any obligation to the Authority or has failed in the sole opinion of the Authority to faithfully perform any previous contract with the Authority.

Any use of subcontractors by an Offeror must be identified in the proposal. During the contract period, use of any subcontractors by the selected Offeror, which were not previously identified in the proposal, must be approved in advance in writing by the Authority.

The Authority will study and evaluate all proposals which are received in accordance with the instructions set forth in the proposal package and may select an Offeror or multiple Offerors and notify all other Offerors of the selection within sixty (60) days after the date the proposals are opened. Such notice shall be in writing and mailed to the address furnished by each respective Offeror in the Transmittal Letter. The selected Offeror(s) shall not start the performance of any work prior to the effective date of the Contract and the Authority shall not be liable to pay the selected Offeror for any service or work performed or expenses incurred before the effective date of the Contract. Costs incurred by the Offeror in the preparation of the proposal or during any review or negotiations shall be born exclusively by the Offeror.

All work performed under the contract shall be subject to inspection and final approval by the Authority, through the Executive Director or his designee.

While documents exchanged by or with the Authority or its agents during this process may be protected from public release by certain terms of Pennsylvania’s Right to Know Law (65 P.S. §§67.101–67.3104), Pennsylvania’s Procurement Code, or other laws, many documents may not be protected. All Offerors are advised to seek counsel or otherwise educate themselves regarding open records laws and regulations in Pennsylvania.

All Prospective Offerors that do not intend to submit a proposal are asked to complete the Proposal Decline Form enclosed in the proposal documents. This document must be emailed to the attention of Shannon Stewart, Manager of Contract Administration at stewart@philapark.org. Specific comments and observations are encouraged.

I-21. Shipping and Delivery.

The Offeror will be responsible for all shipping and delivery costs of the specified items required to support the proposal.

PART IV
WORK STATEMENT

IV-1. General.

The Philadelphia Parking Authority (“Authority”) is seeking proposals from a highly qualified Independent Public Accounting Firm to audit the Authority’s financial statements for the fiscal years ending March 31, 2023, 2024, 2025, 2026 and 2027. The Authority is a quasi-state agency and for the fiscal year ending March 31, 2022, had $276 million in revenues, $260 million in expenses, and approximately 1007 employees. Previous audits can be reviewed on www.philapark.org.

IV-2. Specific.

The audits are to be conducted in accordance with auditing standards generally accepted in the United States of America (GAAS) and Government Auditing Standards issued by the Comptroller General of the United States (GAS). Those standards require that the contractor plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

A. In addition to the combined financial statement audit, the Authority seeks special purpose audits on the financial statements of the Philadelphia International Airport, Red Light Camera, Speed Enforcement Camera and Taxicab and Limousine Division programs, including Transportation Network Companies, (“TNC”).

B. Should assistance be necessary, the Auditor will assist in the implementation of any new pronouncements, accounting treatments and/or technical bulletins of the Governmental Accounting Standards Board.

C. The auditing firm must be familiar with local, state and federal reporting requirements.

D. The auditing firm will be required to obtain its own actuarial studies to evaluate the sufficiency of the Authority’s insurance expense and self-insurance reserves, and post-employment health benefits expense and reserves for post-employment health benefits (per GASB-45).

E. On or before August 31, 2023, the Auditor will issue reports addressed to the Authority’s Board of Directors as follows:

1. A report stating its auditor’s opinion of the Authority’s basic financial statements as of 31st March 2023, and for the year then ended, based on the audit performed in accordance with Government Auditing Standards; and

2. A report stating its auditor’s opinion of the “Other Financial Information” presented following the Authority's basic financial statements; and

3. A management letter detailing the auditors’ comments, observations, and recommendations, including but not limited to a listing of steps and procedures to be initiated by the Authority’s accounting staff to make subsequent audits more efficient.
F. Other Engagement Issues

1. Authority Records

The Authority agrees that all records, documentation, and information the Auditor requests in connection with the audits will be made available to them, that all material information will be disclosed to them, and that they will have the full cooperation of the Authority’s personnel.

2. Fiscal Year Closing

The Authority annually has a planning meeting to discuss the fiscal year closing process and to identify any issues that may impact the timing of the closing. The Auditor is expected to participate in this meeting to discuss any mandated or proposed reporting changes that would apply to the current year and the subsequent fiscal year as well as to agree to a proposed timeline.

3. Optional Work

The Authority may request consultation services on other related financial issues. Hourly rates for key personnel must be included for additional services that may be identified and are not included in the proposal.

4. Auditing Services

The Authority may, from time to time, require additional audits or audit related services. These professional services shall be delivered only upon specific authorization of the Authority’s Audit Committee.

5. Assistance Available to Auditor

a. Authority’s Accounting System and Records

The Authority has an accounting and financial reporting system provided by Microsoft entitled Great Plains (2016); currently, the general ledger, accounts receivable, purchasing, and accounts payable modules are in use. The Authority’s payroll and human resource records are maintained in-house using Sage HRMS.

b. Access to Authority’s Records

The Auditor will be given free access to records of the Authority and reasonable access to the staff for the purposes of interviews. The Auditor will maintain such records as confidential information. It is expected that the Auditor will organize the work in such a way as to minimize disruption of work of Authority’s employees in the pursuit of their normal duties.

c. Authority Finance Department

The Authority’s Finance Department will provide the following clerical and technical support to the Auditor:

1. Type confirmation requests and other correspondence requesting information from government agencies and component units.

2. Retrieve and replace source documents located in the office.

3. The Authority’s Finance Department will be responsible for the preparation of both the Trial Balance and the Management Discussion & Analysis (MD&A).

6. Authority Facilities

The Authority will provide temporary space to examine records and documents during the audit. A telephone and internet access will be available. All other necessary supplies and equipment will be furnished by the Auditor. The Auditor’s key personnel must perform all necessary tasks in the space provided or in other areas as may be necessary. All work conducted on the Authority’s premises must be accomplished
between the hours of 7:30 A.M. and 5:00 P.M., Monday through Friday, exclusive of holidays, or as otherwise pre-arranged.
PART V

Exceptions or requested changes to the sample contract will be considered a part of the response. Exceptions or requested changes to the sample contract should be made with great care, because the number of changes made or the need for subsequent negotiations will factor into the scoring of the proposal.

Those Provisions apply to every Authority contractor and any party seeking to contract with the Authority. By submitting a proposal to this public procurement process the potential contractor agrees to comply with the Contractor Integrity Provisions.

2. If the Authority requires the assistance of the Contractor as to any request or other issue related to the RTKL in regard to this Agreement ("Requested Information"), it will notify the Contractor using the contact information provided in this Agreement. Upon written notification from the Authority that it requires the Contractor’s assistance in responding to such a request under the RTKL the Contractor must:

   i) Provide the Authority, within 5 days after receipt of written notification, with copies of any document or information in the Contractor’s possession arising out of this Agreement that the Authority reasonably believes is Requested Information and may be a public record under the RTKL; and

   ii) Provide such other assistance as the Authority may reasonably request, in order to comply with the RTKL with respect to this Agreement.

3. If the Contractor considers the Requested Information to be exempt from production under the RTKL, the Contractor must notify the Authority and provide, within 5 days of receiving the written notification, a written statement signed by a representative of the Contractor explaining why the requested material is exempt from public disclosure under the RTKL and identifying the specific provision of the RTKL that renders some or all of the Requested Information exempt from disclosure.

4. The Authority will rely upon the written statement from the Contractor in denying a RTKL request for the Requested Information unless the Authority determines that the Requested Information is clearly not protected from disclosures under the RTKL. In the event the Authority determine that the Requested Information is clearly not exempt from disclosure, the Contractor must provide the Requested Information to the Authority within 5 days of receipt of written notification of the Authority’s determination.

5. The Authority will reimburse the Contractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.
6. If the Contractor fails to provide the Requested Information as provided in paragraph No. 4. (“Contractor’s Refusal”) the party requesting the information may have the right to challenge that failure to disclose before the Pennsylvania Office of Open Records (“OOR”) and potentially the courts. Contractor hereby understands and agrees that the Authority will not argue in favor of the Contractor’s non-disclosure of the Requested Information and will inform the tribunal that it directed Contractor to produce such information.

7. In the event of administrative or legal proceedings, or both, related to Contractor’s Refusal, the following will apply:

   i) Contractor will defend the Authority, at its sole cost, before an agency or court as to any matter or claim related to Contractor’s Refusal. Contractor will provide that defense through independent legal counsel agreed to in advance by the Authority, in its sole discretion.

   ii) Contractor further agrees that it will indemnify and hold the Authority harmless for any damages, penalties, costs, detriment or harm that the Authority may incur as a result of the Contractor’s failure to releases Requested Information, including any statutory damages or order to pay any party’s attorney’s fees.

8. As between the parties, the Contractor agrees to waive all rights or remedies that may be available to it as a result of the Authority’s disclosure of Requested Information pursuant to the RTKL.

9. Contractor’s duties relating to the RTKL are continuing duties that survive the expiration or termination of this Agreement and shall continue as long as the Contractor has Requested Information in its possession.

   b) Maintenance of Records. Regardless of the impact of the Right-to-Know Law, Contractor shall maintain all data, records, memoranda, statements of services rendered, correspondence and copies thereof, in adequate form, detail and arrangement, for the Authority’s benefit for a minimum of three (3) years following the termination or expiration of this Agreement. Such information must be maintained in a secure and professionally reasonable manner. Thereafter, Contractor shall contact the Authority before disposing of any such materials and the Authority may direct that some or all of such materials be delivered to the Authority.

   c) Force Majeure. Neither contracting party will be liable for inadequate performance to the extent caused by a condition (for example, natural disaster, act of war or terrorism, riot, labor condition and governmental action) that was beyond the party’s reasonable control.

   d) No Third-Party Beneficiaries. There are no third-party beneficiaries to this Contract.

   e) Non-Discrimination. Contractor agrees to abide by all legal provisions regarding non-discrimination in hiring and contracting made applicable by federal, state and local laws.

   f) Captions. The captions and introductory paragraphs of this Contract are a part of this Contract.
g) Order of Precedence. In the event of an inconsistency between provisions of this Contract, it shall be resolved by giving precedence in the following order: (1) the main body of this Contract, including Exhibits not referenced in this paragraph; (2) the RFP and (3) the Response.

2. As an agency of the Commonwealth of Pennsylvania, and a local government agency, the Authority is exempt from the payment of state and local sales and use and other taxes on material, equipment or other personal property. Contractor agrees that the fees, prices or rates stated in this Contract (1) do not include any state or local taxes, surcharges or fees on the Authority in connection with this transaction, and (2) do include all other applicable taxes for which Contractor is liable. In the event Contractor’s performance under this Contract creates a tax liability, such taxes, including but not limited to, real estate taxes, school taxes, use & occupancy taxes, and sales taxes shall be the sole obligation of Contractor, and Contractor shall maintain current accounts as to the payment of such taxes and be liable over to the Authority for any taxes assessed against the Authority as a result of Contractor performance under this Contract.

i. Waiver. No term or provision hereof shall be deemed waived by the parties unless such waiver or consent shall be in writing signed by both parties. No breach shall be excused unless it is in writing signed by the non-breaching party.

j. Ethical Process. Contractor does hereby warrant and represent that the laws of the Commonwealth of Pennsylvania have not been violated as they relate to the procurement or performance of this Contract by any conduct, including payment or giving of any fee, commission, compensation, gift, gratuity or consideration of any kind, directly or indirectly to any Authority employee, officer or Contractor. To the best of Contractor’s knowledge, no Authority member or officer, and no employee of the Authority has any interest (whether contractual, non-contractual, financial or otherwise) in this transaction or in the business of Contractor. If such transaction comes to the knowledge of the Contractor at any time, a full and complete disclosure of such information shall be made to the Authority.

k. Prior Contracts. Contractor agrees that upon the Effective Date of this Contract any prior contract between Contractor and the Authority to perform any services shall be considered terminated. l. Separation Clause. If any provision of this Agreement, or the application of any provision to any person or circumstances, is held invalid or unenforceable, the remainder of this Agreement and the application of such provision(s) to other persons or circumstances shall remain valid and enforceable.
