The Authority will not be bound by any verbal information, nor will it be bound by any written information that is not either contained within the RFP or formally issued as an addendum by the Authority. The Authority does not consider questions to be a protest of the Work Statement or of the solicitation.

#### **I-4. Clarification of Instructions.**

Should the prospective Offeror find a discrepancy in or an omission from the Work Statement or any part of this RFP, or be in doubt as to the meaning of any term contained therein, the Offeror will notify Shannon Stewart, Manager of Contract Administration via email at [sstewart@philapark.org](mailto:sstewart@philapark.org) prior to the question deadline.

Responses to all questions and clarification requests will be provided through a written addendum that will be emailed to all registered Offerors and posted to the Authority's website, [www.philapark.org](http://www.philapark.org). Responses will not be official until they have been verified, in writing, by the Authority.

#### **I-5. Restriction of Contact.**

From the issue date of this RFP until the Authority's Board approves the selected Offeror, **Shannon Stewart is the sole point of contact concerning this RFP**. Any violation of this condition by an Offeror may result in the Authority rejecting the offending Offeror's proposal. If the Authority later discovers that the Offeror has engaged in any violations of this condition, the Authority may reject the offending Offeror's proposal or rescind the selection. Offerors must agree not to distribute any part of their proposal to anyone other than Shannon Stewart. An Offeror who shares information contained in its proposal with other Authority personnel and/or competing Offeror personnel may be disqualified.

#### **I-6. Proposal Conditions.**

Sealed proposals must be received in the office of the Philadelphia Parking Authority, addressed to Shannon Stewart, 701 Market Street, Suite 5400, Philadelphia, PA 19106, by **Friday, September 8, 2023 no later than 12:00 PM**. The Authority's Project Manager shall be Troy Bouie who may be reached at 215-683-9690 or by e-mail at TBouie@philapark.org. f. **Gift** means any conveyance of anything of value, including cash, a gratuity (tip), favor, entertainment (including tickets to sporting events), travel, food, drink, a loan, employment or services.

2. The Contractor shall maintain the highest standards of integrity in the performance of this Contract and shall take no action in violation of state or federal laws, regulations, or other requirements that govern contracting with the Authority, including these Contractor Integrity Provisions.

3. The Contractor shall not disclose to others any confidential information gained by virtue of this Contract.

4. Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not, in connection with this or any other agreement with the Authority, directly or indirectly, offer, confer, or agree to confer any pecuniary benefit or gift on anyone, for any reason, including as consideration for the decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty by any officer or employee of the Authority.

5. Contractor confirms that no Authority officer or employee holds a financial interest in Contractor.

6. Contractor shall have no financial interest with or in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Authority in writing and the Authority consents to Contractor's financial interest prior to the Authority's execution of the contract. Contractor shall disclose the financial interest to

the Authority at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.

7. When Contractor has reason to believe that any breach of ethical standards as set forth in law or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by an Authority officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Authority contracting officer or the Authority's Office General Counsel in writing.

8. Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof.

Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

10. Contractor shall cooperate with the Authority's Office of General Counsel, or its designee, in its investigation of any alleged officer or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places.

Contractor, upon the inquiry or request of an investigator, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Authority's designated investigator to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Authority and any such subcontractor, and no third party beneficiaries shall be created thereby.

11. For violation of any of these Contractor Integrity Provisions the Authority may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Authority. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

12. Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:

- a) been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;
- b) been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;

- e) been, and is not currently, the subject of a criminal investigation by any federal, state or local prosecuting or investigative agency and/or civil anti-trust investigation by any federal, state or local prosecuting or investigative agency.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Authority will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Authority in writing if at any time during the term of the contract it becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Authority may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.
